COMPANY OVERVIEW

i *Phoenix Cables Inc. is a privately-owned manufacturer of Custom Cable and Electronic assemblies and currently a supplier to major OEM's in several industries. We are known for our responsiveness and dedication to all our customers and have been quite successful in both Puerto Rico as well as the US mainland where Phoenix had its beginnings back in the early 70's. Phoenix Cables Inc. currently serves over 15 customers in the Power Distribution, Digital Energy, Military and Electronics Industries and employs 35 people in the greater Aguadilla area.*
